In the Matter of:

ADJUSTMENT OF RATES OF BERA	)	
COLLEGE ELECTRIC UTILITY, A	)	CASE NO. 8297
DEPARTMENT OF BERA COLLEGE	)	

O R D E R

IT IS ORDERED that Berea College Electric Utility shall file an original and five copies of the following information with this Commission, with a copy to the Attorney General's Division of Consumer Protection, by September 25, 1981. Where a number of sheets are required for an item, each sheet should be appropriately indexed, for example, Item 1(a), page 2 of 5. If neither the requested information nor a motion for an extension of time is filed by the stated date, the case will be dismissed.

Information Request No. 1

1. In comparative form, an income statement, a statement of changes in financial position, and a balance sheet for the test year and the twelve-month period immediately preceding the test year.
2. The board resolution approving the July 1, 1981, general wage adjustment.
3. A schedule of salaries and wages for the test year and each of the five calendar years preceding the test year as shown in Format 1, attached.

4. A detailed analysis of advertising expenditures during the test period. This analysis should include a breakdown of Account 913 - Advertising Expenses, as shown in Format 2, attached, and should also show any advertising expenditures included in other expense accounts. This analysis should be specific as to the purpose and expected benefit of each expenditure.

5. An analysis of Account 930 - Miscellaneous General Expenses for the test period. This should include a complete breakdown of this account as shown in attached Format 3, and also provide all detailed working papers supporting this analysis. At minimum, the work papers should show the date, vendor, reference (i.e. voucher no., etc.), dollar amount, and brief description of each expenditure.

6. A detailed analysis of contributions for charitable and political purposes (in cash or services). This analysis should indicate the amount of the expenditure, the recipient of the contribution, and the specific account charged.

7. A copy of the auditor's report from your most recent audit.

8. Provide the utility's rate of return on net investment rate base for the test year and five preceding calendar years.

9. The work papers showing calculations supporting the payroll tax adjustment and the determination of the percentage factor of 13.5%. Explain all components used in each calculation.

10. Provide a detailed analysis of expenses incurred during the test year for professional services as shown in attached Format 4, and all detailed working papers supporting the analysis.

At minimum the working papers should show the payee, dollar amount, reference (i.e., voucher no., etc.) account charged, hourly rates and time charged to the utility according to each invoice, and a brief description of the service provided.

11. Provide a detailed analysis and breakdown supporting the estimated rate case expenses totaling \$21,000.

12. Furnish copies of all working papers, including a cost of service study, supporting your proposed rate design.

Done at Frankfort, Kentucky, this 31st day of August 1981.
